Ministry Safe Child Protection Workshop
Tuesday, April 28, 2020, 9 AM – 2 PM
First Baptist Church
300 W. Main Street

The information that will be presented at this workshop is certain to be of great value to churches and schools in navigating the times we live in today. It is crucial that anyone who works with children take seriously the responsibility to protect children in their care.

MinistrySafe was created by legal professionals who are sexual abuse experts. After decades of litigating sexual abuse cases, Greg Love and Kimberlee Norris founded MinistrySafe to help ministries meet legal standards of care and reduce the risk of sexual abuse by creating preventative measures tailored to fit the needs of churches, camps and ministry programs. We are privileged to have Greg Love, one of the founders, as the presenter for this workshop.

MinistrySafe offers a wealth of resources and tools for churches, schools, camps, sports programs, etc. for a nominal annual fee, including awareness training, screening process, policies and procedures, background checks, and monitoring and oversight.. You can find more information about MinistrySafe at <https://ministriesafe.com/> .
